## DETAIL ITINERARY

### DAY 1

#### CAIRO ARRIVAL

#### OVERNIGHT: CAIRO

*Welcome to Cairo, Egypt. On arrival at Cairo International Airport you will be greeted and assisted by local representative / tour manager. Transfer to Hotel. Check in.*

*Cairo is regarded as one of the greatest mega cities of the world. Undoubtedly, the city is beautiful and crazy. It is opulent in the historic finery despite half of it being damaged with no sign of repair. Perhaps this very well explains why Cairo is one city that travellers love to hate just in equal measures. The sheer pollution, noise and the huge traffic are just an assault on your senses but you need to look beyond the modern hullabaloo and you'll find a history that has been in existence since centuries. Full of life and vigour, Cairo is one city where you actually get a vibe of the Egyptian street life. No trip to Egypt is ever complete without you staying in the city which is regarded by the Arabs as the The Mother of the World or the Umm al-Dunya, Cairo.*

*Day at leisure. Evening Sound and Light show at the Pyramids of Giza and the Spinx.*

*The legendary Sound and Light shows are playing at world renowned Pyramids of Giza, Temples of Karnak, Philae and Abu Simbel; four of the UNESCO World Heritage sites. Their historical and cultural values are simply beyond description. Latest lighting, laser and projection technologies are utilized to visualize mysteries of the Pharonic civilization. Every year, hundreds of thousands attend these magnificent spectacles to relive the legend..*

### DAY 2

*Fantastically attractive, the pyramids of Giza is the tomb of Pharaoh Khufu and the largest Egyptian pyramid. It is also the oldest of the Seven Wonders of the Ancient World. These fourth dynasty funerary pyramids are located on the city's edge and have always been one of the best highlights of Cairo.*

*The heat and the dust appear to be trivial to explorers when they experience the superb Pyramid of Cheops, the biggest pyramid in the Giza collection. Otherwise called the Great Pyramid or the Pyramid of Khufu, it has a plain wonderful tomb chamber with a sarcophagus.*

*Evening back to Hotel*

### **DAY 3**

#### **Day Excursion to Ain Sokhna**

#### **OVERNIGHT: CAIRO**

*Proceed on a full day tour to Ain Sokhna on the Red Sea. Enjoy of Snorkeling and swimming on the Red Sea Beach. The coastal town of Ain Sokhna is a 120km (75mi) journey from the centre of Cairo, and fairly easy to get to. Ask your hotel to organise a car with a chauffeur, or try Uber (enter Porto Sokhna as your destination to arrive at a central location on the coast). Better yet, check out Go Bus – an inter-city coach service that specialises in tourist destinations. You can book your ticket for any one of the 10-plus buses that leave from Tahrir Square in Downtown Cairo through their website, or at the bus meeting point (which you can easily locate on Google Maps). Be sure to book your return ticket at the same time, so you can plan your day accordingly. Prices vary depending on the type of bus you choose, but fares are very reasonable. Car rental is another convenient option, and recent renovations on the main highway from Cairo to Ain Sokhna have made the route safer and more scenic.*
