DETAIL ITINERARY

DAY 1

SRINAGAR ARRIVAL

OVERNIGHT : SRINAGAR HOUSEBOAT

Arrival at Srinagar Airport, where you will be met upon arrival by our representative and transfer to **Houseboat**.
Check in and relax.

Houseboats in Kashmir, better known as floating houses in Kashmir, provide a unique way to experience the old world charm of the region. The origin of the houseboat lies in the chapters of Kashmir's history. It is said that the native kings had forbidden foreign visitors, especially the Britishers, from constructing houses in the region and this gave rise to the concept of a houseboat. These floating houses are made of wood and mainly feature carved intricate wood paneling. A houseboat offers a unique style of living on the rolling water in an elegantly designed set up outfitted with all modern comforts

Later in the afternoon enjoy **Shikara Ride** on famous **Dal Lake**. The Dal Lake is famous not only for its beauty, but for its vibrancies, because it sustains within its periphery, a life that is unique anywhere in the world. The houseboat and Shikara communities have lived for centuries on the Dal, and so complete is their infrastructure on the lake, that they seldom have to step on land! Doctors, tailors, and bakers - you'll see them all in tiny wooden shops on the lake

In The Afternoon we will do some half a day of Local Sightseeing of famous **Mughal Gardens**

Typically, in the pleasure gardens of Kashmir, the garden site is at the lower elevation of a hill, between the hill and the lake. It is not accidental that this particular location is the perfect place from which spectacular views of the regional space of the valley are revealed: to one side the mountain at the back, on the other, the lake view. Towards the lake, the visual link between garden and valley is marked by the flow of water in that direction and the progression of terraces downwards with the grand chinars on either side. These direct the eye away from the details of the garden to the extended lake panorama and hills beyond. The garden celebrates the beauty of the valley. It transcends its visible physical limits, and the internal space engages dramatically with the larger setting

Evening visit **Hazratbal Shrine**, The Hazratbal Shrine, is situated on the left bank of the famous Dal Lake in Srinagar. This unmatched reverence is anchored in the love and respect for the Prophet Muhammad (peace be upon him), whose *Moi-e-Muqqadas*, the sacred hair from the beard of Prophet Muhammad (peace be upon him) is preserved here .

The silvery white Hazratbal Mosque is revered for housing a relic, the Prophet's hair. Situated near the Dal Lake, the only domed mosque in Srinagar is a place of serenity, a must visit.

Women are allowed only till the first part of the mosque. The Hazratbal Mosque lends a historic and divine appeal to Srinagar. As you walk down the corridors of this famous religious sanctum, you marvel at the intricate Persian and Iranian architectural influences. A dazzlingly white structure on the far bank of the Dal, Hazratbal Shrine houses a relic that is believed to be Prophet Mohammed's hair. It can be reached by a shikara on the Dal Lake or by road through the city.
